My dear Dr. Bruja

I hoped to have had a letter that suits you before you left - Her H. is charmed with the cases. I told her I thought you had them specially made. Her H. ordered two Leather Portmanteaus & a bedding of Travaya exactly like the one you saw of Her H. on the

I rather like the Gackwar but I dont care much for Her H. I think she is very deep. The Kolhapur lady has nothing in her.

Get Her H. to come up soon. The weather is lovely.

With Her Kindest Regards

Yours Very Sincerely
